15th August, 2018

Dear Parents,

On Thursday 6th September, 2018 the Pre-Primary and Year 4 classes will be going on an excursion to Scitech in Perth.

We will be departing school by bus at approximately 8:30am and will return by 3:00pm.

The focus of our excursion is to improve students' understanding of science concepts of 'playing with light'. We have a planned programme of events for both classes.

All students will wear their sport uniform (yellow shirt) and will be required to bring their hats, recess and lunch along with a drink bottle. There will not be any opportunity to spend money so students do not need to bring any.

Both classes will require some parent help but we respectfully ask that only designated parent helpers attend. This is a wonderful opportunity for students in both classes to have some independence and to work with their school buddy class.

If you are interested in being a parent helper on the excursion please indicate below. As we have a limited number of places, parents will be randomly drawn from those interested. We also ask that parent helper find their way to and from Scitech as there are limited spaces on the bus.

Please sign the permission slip below and return to school by Tuesday 27th August.

Kind regards,

Miss Brigitte Gaillard and Miss Bethany Tucker
Pre-Primary and Year 4 Teachers
