

# TODDLER DROWNING PREVENTION PRESENTATION

## Did you know that drowning is the leading cause of preventable death in children aged 0-4 years old?

Attend a free Keep Watch toddler drowning prevention presentation to find out why children are at risk, what you can do to keep kids safe around water and how to respond in an emergency. The presentation covers:

- Drowning statistics
- Where and why toddlers drown
- How to keep your children safe around water
- Demonstration of infant & child CPR

**9.00am, Friday 26th October**

Waroona Recreation & Aquatic Centre
