

Traffic light 101

Join us at either of our four convenient venues in the Perth metropolitan area or for those in regional areas via video conference for a Canteen Network meeting and to hear what's new with the *Healthy Food and Drink* policy. We will cover, Traffic light system updates, changes to the Buyers Guide and green menu planning.

In addition we will also be able to cover any other 'hot topic' suggested by YOU. When you register please let us know what you would like to discuss such as menu pricing, food safety, nutrition or online ordering. All sessions run from 3.00pm - 4.30pm.
