Dear Families,

You are invited to the St Joseph’s Family Fun Maths Night on Thursday, June 9th.

The purpose of the night is to give families lots of ideas to practise and promote maths skills and concepts at home in fun, family friendly ways. There will be door prizes and competitions and you will take home copies and instructions for all of the games and activities you try out. Your family will be able to wander between classrooms, choosing the activities that interest you.

Please complete the RSVP form below and return it to school by Wednesday, June 8th.

The night begins at 6.00pm and will conclude at 7.00pm.

Looking forward to seeing you there!

Lisa Gallin
Assistant Principal
