
Dear Parents

Because of technological advancements, the digital camera gives ready and easy access to photographs. We may use images of students in newsletters, blogs, wikis, classroom work, website, my classes, portfolios and in the local newspaper.

We would appreciate if you could fill out the details below so that your child/ren’s image can be used, should the need arise. You are required to write each child’s name and year level.

Thank you

Travis Bienkowski
