Dear Families,

### TELL THEM FROM ME (TTFM) PARENT SURVEY MARCH 2017

The 'Tell Them From Me' parent survey generates valuable information regarding student engagement, achievement, social-emotional health, school safety and the overall student experience. Feedback helps to inform decisions in a variety of areas, including continuing school improvement planning, communication practices with families, school safety and student/family engagement. Through tools such as the TTFM survey we are able to involve families as partners for learning at our school. This is very important to us. Student and school success relies heavily on family support. The results from this survey will help us in our daily programming and long term planning.

Please consider this school year when you answer. If a question is about more than one person (e.g. all of your child's teachers), please reflect on what MOST of them are like. If you have more than one child at this school, please complete the survey with only one child in mind, however if you feel the school experiences of your children differ please feel free to complete one survey for each child.

Alternatively, you can fill out a paper version. This can be collected from the school office.

Please note survey must be completed by Tuesday 4 April.

Kind Regards

Mr Travis Bienkowski
