$3 Year Olds

St Vincent de Paul Society aims to provide hope, comfort and dignity to families in WA, who are struggling to make ends meet. To assist them in making Christmas special for those in need, our school is participating in the annual Christmas Hamper appeal. Each child is asked to bring in a donation, as per the list below, before Friday, November 13th. This will ensure that all families have time to distribute the goods in time for Christmas day. Please ensure that the dressings are not used by date on all items is after December 25th, otherwise they cannot be used.
