Dear Parents,

We have had a wonderful start to Term 3.

In Literacy we have been learning to write three letter words independently by sounding out the letters. We have been looking at sentences and learning every sentence needs a capital letter and full stop. Our class have been learning about story sequences this term.

In Maths the new skill we have been learning is counting on. This helps us with adding and subtracting, which we have started this term. We are also learning about tallies and focusing on our number formations.

For homework our class will be given books this term for homework and new three letter words. Please sound out the word and allow your child to write the words independently. They will receive a new set every two weeks.

Many thanks,
Simone Hilton
