Year 4 News Term 4

Welcome back to Term 4.

Boy hasn't the year flown! Here we are in Term 4 with only a few weeks of the school year left.

Our main learning theme this term will be around the topic of environmental sustainability and endangered animals. We will be visiting Penguin Island in Week 3 with our PP buddies to learn more about the rescue work being done with little penguins and to find out how we can better look after our marine environments.

For the first few weeks in Maths students will be revising topics we have covered this year and then they will be doing some more work on fractions and collecting and interpreting data as well as consolidating their understanding of time and money. Mrs Young will be teaching the concepts of mass and volume.

In History with Mrs Young students will be learning about the arrival of the First Fleet and what life was like then.

Homework this term will again be handed out on Mondays and will usually be due back on the following Monday.

The basis of each week's homework is:
- Reading every day
- Basic facts practice every day
- A general work Contract
- Please ensure that your child is ready for their regular News day.

** A reminder that diaries should be brought to school every day and that our sport uniform days are Tuesday and Thursday **

Other events this term are:
- Friday Oct 16 – Excursion notes due back
- Week 2 – Mrs Hodgson will be away
- Tuesday Oct 27 – Excursion with PP to Penguin Island. Sport uniform – bring lunch, recess, water
- Friday Oct 30 – All Saints Liturgy
