Our aspiration is for students to demonstrate sustained growth in Numeracy and Literacy and improved levels of collective wellbeing within our Catholic community.

MAKING JESUS REAL!

BELIEVE IN YOURSELF (BIY)

Believe in Yourself. You can do it!
Some people think that they are born with a certain amount of ability, and that's it for life.
Things can't get any better.
This is a fixed mindset.

Other people realise that they can improve and learn and develop their abilities.
This is a growth mindset.

Can you remember a time when you did something that you thought you couldn't?

Give it a go!

You might be amazed at what you can achieve.
