The WA Government Student Assistance Payment 2025 claims close today, 4 July. Parents have been sent information at the beginning of the term explaining how to access student numbers. To claim, [click here](#)

Don't forget over the holidays to collect resources for the STEMathon – mainly cardboard rolls, cardboard boxes. We also need packets of spaghetti and hair conditioner too! These items can be dropped off at the school office.

Just a reminder when parents reply to a SMS message sent from the school, we only receive a mobile number, not who the actual person is that has replied. We ask that if you reply, please include your name/students name so we can get back to you with your enquiry.

Are you cleaning out your kitchen cupboard's over the holidays? Our students love playing in the mud kitchens and would love more items; utensils, silicon moulds, wooden bowls, metal trays, old Tupperware, basically anything that is not breakable (not ceramic/glass) we will happily take. Make sure you keep us in mind before throwing anything out!
