

# Hands on Spelling

## Lego Writing

If you have Lego at home use it to write or form your spelling words or sight words.

## Salt Writing

Using a tray, pour in a thin layer of salt then write your spelling words or sight words with your finger or a paintbrush. (If you don't have salt you can go outside and write in the sand or use 100's and 1000's.

## Chalk Writing

If you have chalk at home go outside and write your spelling words or sight words on the concrete, bricks or pavement.

Remember to take a photo of your work and upload it to Seesaw.
