Education Assistants

Education Assistants are a point of contact to pass on messages to classroom teachers. These may include;

- Your child's absence
- Child's wellbeing (feeling unwell but still attending school)
- If you have seen the classroom teacher beforehand and need a follow up
- General business
- Medical conditions

Please Note:

Student academic and behaviour questions will be referred to the classroom teacher.

Facebook, Messenger and other forms of ***social media*** are not the appropriate way to communicate with the staff at St Joseph's. Our staff **will not** engage in communication about school matters on any of these platforms as per the school's ICT Use By Staff Policy and Code of Conduct . Please use the appropriate form of communication that your child's teacher has stated. Always check diaries, newsletters and term planners for additional notes. Thank you for your understanding.
