21st August, 2019

Dear Parents,

Over the next couple of weeks in DigiTech, the Year 2 students will be designing and creating their own digital system.

They will need some materials from home to complete this task. Can you please discuss with them what they are designing and what materials they may need to complete their design? Can they please bring those materials to school next Wednesday 28th August?

I am able to provide the following materials, however I would appreciate it if you can provide the extra supplies your child may need:

- Paper
- Light weight cardboard
- Foil
- Plastic (lightweight and a slightly heavier type)
- Sticky tape and glue
- Plastic cups and bowls
- Paper plates
- Straws
- Popsticks, pipecleaners
- Wool/string
- Textas, crayons, coloured pencil

If you have any questions, please contact me as soon as possible so I can help.

Regards

Mrs Vicki Hodgson
