28th July 2021

Dear Parents,

On Wednesday, August 11 (Week 4), the Year 4 and 5 classes will be going on an excursion to SciTech in Perth as a part of our Earth and Space Science curriculum.

We will be departing school by bus at approximately 8:35 am (Please ensure you arrive at school **no later than 8:30 am** as we have a very tight schedule and will not be waiting for late arrivals) and will return for pick up as per usual at 3:10 pm.

All students will need to wear their new uniform with their blue and gold shirts and will be required to bring their hats, recess and lunch along with a drink bottle in their school bag. There will not be an opportunity to spend money, so students do not need to bring any.

We do require some parent helpers on the day. Parent helpers receive entry free of charge and are more than welcome to travel on the bus with us. If you are interested in being a parent helper on the excursion, please complete the slip below and return it to your class teacher as soon as possible. If we receive more parent help requests than we require, an even number from each class will be randomly selected to attend.

Kind regards,

Miss Tori Johnson and Miss Annie Bala
Year 4 and Year 5 Teachers

PARENT HELP – Year 4 and 5 SciTech Excursion

I can be a parent helper on Wednesday, August 11th on the Year 4 and 5 SciTech Excursion.
