

## St Joes P & F Term 1 Fundraiser

# TUPPERWARE

**10% of all sales** will be raised for the school P & F.

If we sell over \$600, we will receive bonus gifts which can be used at other fundraising events, ie: Mother's Day Morning Tea.

Some tips:

The link take you to a party register site. Go to SHOP NOW. You will then get the login/create account if you aren't already a Tupperware member.

Create an account and register for free. You are now free to browse at all the products.

If there are specials you would like but it says members only you will need the silver level membership. To get this there are prompts to get a discounted membership of \$4.95 rather than \$19.95. Or if you spend over \$150 it's free. You just need to add the silver membership to your shopping cart at the end. Same process for the discounted membership. Make sure you are using the link provided from the school P & F or this won't work for you. You don't have to become a member to shop.

If anyone has any problems there is a party host on the Web page that can help or call Nicki on 0448 257 661.

Thank you for your support! You can purchase multiple times throughout the months event!

This link is not limited to school parents only. Please share among your family and friends if you think they would like to support this fundraiser. (Just share this post to your own personal page)
