To provide an affordable, quality Catholic education.

Vision Statement

St Joseph's School, as an integral part of the Waroona Catholic Community,
is inspired by Christ's teachings.

We endeavour to nurture all children to grow as confident, independent, life-long learners, enabling them
to contribute to society with dignity, respect and a spirit of service.

From the Principal-

Dear Parents/Guardians, Friends and Students of St Joseph's School,

*"In the morning, LORD, you hear my voice; in the morning I lay my requests before you and
wait expectantly. Psalm 5:3"*

Welcome: A warm welcome to Thomas Stone (Year 4) and his parents Catherine and
Bradley, who joined our school community this week. I know Thomas has been very well
looked after by his peers.

Farewell: We farewell the Goodwill family, Megan (Year 4) and Ethan (Kindy). We thank
them for being part of the St Joseph's community and wish them all the very best at their
new school in Bunbury.

Capital Development Project 2019: It is with great pleasure that I inform the school
community of a wonderful announcement. Through the hard work of the School Board and
contributions made by the staff, the school has been fortunate enough to receive approval to
commence a Capital Development Project in 2019. Through the support of an Australian
Government Capital Grant and capital development funds raised by the school, capital works
will commence in 2019. The project will include internal renovations to the Administration
building and the construction of an Early Childhood Education Hub (construction of another
classroom & alterations to the current PP & Year 6 classrooms). This is an exciting time for
our school and I look forward to the journey ahead.

Sacrament of Reconciliation: Congratulations to the 10 Year 3 students who received their
First Reconciliation last Thursday evening. A big thank you to Fr Jay, Mrs Landwehr,
Mrs Gorman and Mrs Leahy for all their hard work in preparing the students. It was a
beautiful celebration with many family, friends and staff joining together in support of these
young people.

Confirmation Commitment Mass: The Confirmation Commitment Mass will take place this
Sunday 26th August commencing at 8:30am. All candidates and their parents must attend
this Mass and commit to the Sacramental program.

Book Week: Congratulations to everyone who made the effort to dress up for this year's
Book Week theme; "Find Your Treasure." There was a fantastic display of costumes on
parade today including a number of staff dressing up as characters from Peter Pan. Thank
you to the students, teachers and parents for their hard work in making this event another
great success!

P&F Father's Day Stall: To all our fathers, I wish you an enjoyable day next Sunday for
Father's Day. I hope your children show you just how much they appreciate and love you. A
reminder, that next Thursday 30th August, is the P&F Father's Day stall for Years K-6. Please
remember to provide your child with money if you would like them to purchase a gift for dad
as each class will have an opportunity to visit the stall during the day. The price of gifts will
range from \$2-\$10. Thank you to Stacey Gaston and her team of helpers for the time and
effort they have put into organising this year's Father's Day stall.

Father's Day Raffle: This year's Father's Day Raffle will be drawn at the conclusion of Mass
on Friday 31st August. A reminder that all raffle tickets need to be returned to school by
29th August. Tickets are \$2.00 each. If you would like more tickets to sell to friends and
family, please ask at the front office.

SCHOOL NEWS

Father's Day Breakfast & Mass: Next Friday 31st August, the P&F will be hosting a Father's Day Breakfast for all our dad's and their child/ren. An order form was sent home to all families last week. Could RSVPs please be returned to school by Tuesday 28th August for catering purposes. Following breakfast, all dads and their families are welcome to join the whole school in celebrating the Father's Day Mass which will commence at 9am in the Church. The Year 1 class will be organising the celebration. All family members are welcome.

Pupil Free Day: A reminder that next Monday 27th August is a Pupil Free Day for all students.

MJR Award: The next MJR Award will be announced on Friday 31st August following the Father's Day Mass. It's still not too late to nominate a worthy recipient. Nomination forms can be found at the front office and in each classroom.

School Photos: Will be held on Tuesday 4th September for all students in Years K-6. If you would like a sibling photo taken on the day, you will need to collect a form from the front office. All students in Years 1-6 must wear their full winter uniform including their school jumper on the day.

Faction Athletics Carnival: I look forward to seeing many of you at this year's Faction Athletics Carnival to be held at Waroona Oval on Friday 7th September. Congratulations to Miss Rimmer in coordinating the preparations for the carnival. I wish everyone the very best in the events they are competing in and I hope you all have an enjoyable day! The Year 3-6 jumps and throws will be held on Wednesday 5th September. Any parent assistance is always welcomed. Please fill in the parent helper note that went home on Wednesday if you are able to assist with the jumps and throws.

Attendance: As partners with you in the learning of your child, the school is obliged to point out that reduced attendance has a large impact on academic learning. Any attendance rate that is below 90% is classified as being at-risk. The school is currently looking closely at the attendance rates of all students from Pre Primary to Year 6. Those families whose child has been identified by the school as being at Moderate Educational Risk, will receive a letter outlining the attendance percentage for their child. Maintaining regular attendance at school not only allows a student full access to the curriculum but it gives them a best chance of success.

A new addition to the school Library!!

The Orchard Underground by Mat Larkin

Pri Kohli knows the town of Dunn's orchard better than anyone. After all, he was the first kid ever to live there. He knows its mysteries (none), its secrets (also none) and the best ways to have fun in it (climbing a big tree and sit there).

So why can't he answer newcomer Attica Stone's simple question: if the town's called Dunn's Orchard, where's the orchard? As Pri and Attica go in search of forbidden fruit, they will uncover stranger mysteries: a robot caterpillar, a mayor with a murky past, a Possibly Real Actual Boogeyman and a house made of doors in a haunted wood. But what happens when they discover the biggest secret of all—that something truly magical is about to be destroyed, and the only way to save it is by destroying the town itself?

Did you know.....

- Please remember that the Senior Citizens Centre directly opposite to the school office needs to have its front area clear of vehicles so that its members are able to park there. All visitors to the school must park beside the centre in the Shire car park.
- The school canteen is now using biodegradable packaging .
- The best and most beautiful things in the world cannot be seen or even touched—they must be felt with the heart.
- We recently received a report concerning the congestion of cars at morning drop off on Hesse Street. Cars using this road are not allowed to stop at all. If children need to exit the car, please arrange to park first off the road to prevent any accidents. The safety of all concerned is our number one priority and we thank you for your understanding.
- A BIG Thank You to Rebecca Whitbread for cooking all day in the canteen this week making our yummy home made sausage rolls and to Bianca Wilson for cooking another big batch of free range chicken that we use in the canteen. We have the most amazing parents at our school!
- Life is not the amount of breaths you take, it's the moments that take your breath away.....Will Smith
