Code of Conduct:

All staff, parents, helpers and visitors agree to behave in the ways described in our [Code of Conduct](#) when they enter our school site or enrol their child. Our students learn best in a stable, predictable, secure physical and emotional environment. The [Code](#) describes how we must all behave to create and keep our healthy learning community. Therefore, any breach of the [Code](#) threatens our students' learning and must be reported directly to the Principal or Assistant Principal in my absence.

COVID-19:

If your child is unwell, please test for COVID-19, and remain at home until symptoms clear. We have more free oral RAT tests available for families for collection in the office. It is still important to upload both **negative and positive results** to the school portal [here](#) so we can track cases in classrooms. Please also upload positive results to WA Health.

P & F News:

Our awesome P & F delivered the yummiest hamburgers today for our students. Thank you to Theresa Carter, Emma Dunstan, Brooke Martelli and Hannah Whitfield for their culinary skills in the canteen. The P & F Bingo night is coming up on Saturday, 17th September. Tickets are available from the school office for \$15 each. Cash and EFTPOS is available for payment. This is an 18+ event so please come along to support them and in turn benefit your children's learning.
