Children's University:

The aim of Children's University (CU) is to encourage students (Years 4,5 & 6) to try exciting learning activities in their own time, whether it is before school, lunch time, after school, on weekends or in the school holidays. Students work at their own pace on self-directed activities and are encouraged to earn their 30 hours (or more!) to attend the free Graduation at UWA in December. Mrs Fuller is coordinating CU this year. Registration forms have been sent home with interested students. If you would like any more information, please feel free to contact Mrs Fuller.
