- Did you know when the school sends a SMS and you reply, we do not know who the reply is coming from? Unfortunately, it just gives us your mobile number and that is all! If you need to reply to any of our messages, please include your name or students name so we can identify you.
- STEMathon 2025 will be held on Wednesday, 13th August. For this year's event to be a success, we need volunteers again to share the load. We know through feedback that last year volunteers are extremely excited to be involved again. If this is you or, a family relative/friend and would like to volunteer again on the day, we now have a volunteer register open in the school office. Parents may SMS or email the school stating your full name, mobile number and the fact you would like to be involved in STEMathon 2025.
- We are fully stocked again with uniforms! Track pants, track jackets and plenty of socks! Perma Pleat have advised us that pre-order fleece jumpers are being embroidered right now so won't be too far away.
